

# Employee Benefits at the H. E. Butt Foundation

The H. E. Butt Foundation offers a comprehensive benefits package to its employees, including medical, dental, and vision coverage, retirement plans, life insurance, and paid time off. Additionally, the Foundation provides opportunities for professional development and growth, as well as a supportive and inclusive work environment that values diversity and encourages collaboration. The Foundation is committed to investing in its employees and supporting their well-being both in and outside of the workplace.
